Approved For Release 2004/03/16 : CIA-RDP80B01676R002700070071-0

6 November 1959

Sent to General Cushman on 9 November 1959 a threepage document entitled, "Press Reports on Telecasts of the
Nixon-Khrushchev Exchange at Sokol'Niki." (ER 11-8864)

put a blue bucktag to General Cushman saying

"In connection with our recent telephone conversations, the
attached research by Foreign Documents Division in USSR
newspapers more or less proves that the Vice President's
conversations with Khrushchev at the American exhibition
was shown in various cities on 27 and 28 July, and that it
was to be shown again on the 29th and 30th of July." The
paper is unclassified.
